OFFICE OF THE COMPTROLLER, MYSORE GOVT.

Bangalore, 16th January 1896.

From

To

The Secretary to the Govt. of Mysore,
Financial Dept.

Sir,

I have the honor to bring notice that the accounts of the Shimoga District Treasury are furnished to this office in a very unsatisfactory manner and very unpunctually. I have reason to think that the Treasury staff are not performing their work systematically. The Savings Bank accounts have for some time not been written up & on the representation of the Deputy Commissioner an additional official has been sanctioned for this work. The local Revenue transactions need also to be verified in detail for some years as also

the deposit and advance transactions. I
 propose deputation an experienced accountant
 from my office so that these accounts may
 be thoroughly scrutinised. He will draw
 the pay of his substantive appointment.
 and considering that the work^{is} rather laborious
 and likely to occupy him for a month or two,
 I suggest that he may in addition to his
 Railway fare and mileage for journeys
 to and from Sheringa be permitted to draw
 leave at the rate of 50 % of his salary
 during his stay at Sheringa
 and solicit the sanction of Government
 there to.

That early orders may be
 passed on the subject.

I have the honor to be
 Sir
 Your most Obedient Servant.
